# K-12 Education Stimulus Funding

<b>ESSER Funds</b> ESSER Fund (CARES Act) / ESSER II Fund (CRRSA Act) / ARP ESSER (ARP Act)	<b>GEER Funds</b> GEER I / GEER II	<b>ARP Emergency Connectivity Fund</b>
<p><b>The CARES Act</b> includes allowable uses of funds related to preventing, preparing for, and responding to COVID-19. ESSER funds may be used for the same allowable purposes as ESSER II and ARP ESSER.</p> <p><b>ESSER II</b> funds may be used for the same allowable purposes as ESSER and ARP ESSER, including hiring new staff and avoiding layoffs. Note that the “additional” LEA allowable uses of funds under the CRRSA Act (addressing learning loss, preparing schools for reopening, and testing, repairing, and upgrading projects to improve air quality in school buildings) already are permitted under the CARES Act.</p> <p><b>ESSER ARP</b> funds require that an LEA must reserve not less than 20 percent of its total ARP ESSER allocation to address learning loss through the implementation of evidence-based interventions and ensure that such interventions respond to students’ academic, social, and emotional needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups. The remaining ARP ESSER funds may be used for the same allowable purposes as ESSER and ESSER II, including any activity authorized by the ESEA and IDEA, educational technology (hardware, software, connectivity, assistive technology, and adaptive equipment), and tracking student attendance and improving student engagement in distance learning.</p> <p><b>Source: ARP Fact Sheet</b>  <a href="https://oese.ed.gov/files/2021/03/FINAL_ARP-ESSER-FACT-SHEET.pdf">https://oese.ed.gov/files/2021/03/FINAL_ARP-ESSER-FACT-SHEET.pdf</a></p>	<p>The CARES Act GEER I and CRRSA GEER II includes allowable uses of funds related to preventing, preparing for, and responding to COVID-19. Governors may provide subgrants to LEAs and IHEs within their jurisdiction that have been “most significantly impacted by coronavirus” to support their ability to continue providing educational services to their students and to support the “on-going functionality” of these entities. In addition, a Governor may use these funds to provide support through a subgrant or a contract to other LEAs, IHEs, and education-related entities that the Governor “deems essential” for carrying out emergency educational services, providing child care and early childhood education, providing social and emotional support, and protecting education related jobs.</p> <p><b>Source: GEER Fact Sheet</b>  <a href="https://oese.ed.gov/files/2021/01/FINAL_-GEER_FactSheet_1.8.211.pdf">https://oese.ed.gov/files/2021/01/FINAL_-GEER_FactSheet_1.8.211.pdf</a></p>	<ul style="list-style-type: none"> <li>• FCC must provide regulations for using the funds within 60 days of enactment. The FCC is currently seeking comments on the distribution of these funds with comments due April 5, 2021 and reply comments due April 23, 2021. The eligible services list is expected to be released in May.</li> <li>• Funds can support service to students and staff in locations other than the school</li> <li>• 100% reimbursement of reasonable costs associated with eligible equipment and advanced telecommunications and information services</li> <li>• Eligible equipment includes             <ul style="list-style-type: none"> <li>◦ Wi-Fi hotspots</li> <li>◦ Modems</li> <li>◦ Routers</li> <li>◦ Devices that combine a modem and router</li> <li>◦ Connected devices</li> </ul> </li> </ul> <p><b>Source:</b>  <a href="https://docs.fcc.gov/public/attachments/DA-21-317A1.pdf">https://docs.fcc.gov/public/attachments/DA-21-317A1.pdf</a></p>
